

United States District Court
Northern District of Texas
Dallas Division

United States of America	§	
v.	§	Case 3:19-cr-00112-K
Harley E. Barnes, III (3)	§	

**Defendant's Response to Court's Order of March 20, 2020, Regarding the
Government's Motion for an Order Authorizing the Government's Filter
Team to Disclose Material to the Defendants and the Government's
Prosecution Team**

On January 30, 2020, the Government filed a Motion for an Order Authorizing the Government's Filter Team to Disclose Material to the Defendants and the Government's Prosecution Team (Doc # 229). As noted in the certificate of conference, Barnes objected to the motion. On March 10, 2020, the Court ordered any defendant who opposes the relief sought by the motion to file a brief in opposition no later than March 20, 2020, explaining how the defendants have standing to assert the attorney-client privilege on EarthWater's behalf.

Barnes hereby gives notice to the Court and the Government that he withdraws his objection for purposes of disclosure to Defendants and the Government's Prosecution Team but respectfully reserves his right to object at trial to the Government's use of materials the Court might deem privileged.

Respectfully submitted,

/s/ Barry Keith Gore, Jr.
